TERMS AND CONDITIONS OF THE 2022 GOLD STANDARD AWARDS.

The Gold Standard Awards are operated by PRCA Asia Pacific on behalf of PublicAffairsAsia (jointly the organisers). We reserve the right to amend the processes detailed in this website without notice.

1. Entries are encouraged from corporations, consultancies, state-owned enterprises, government bodies, embassies, NGOs, think tanks, universities, chambers of commerce, trade promotion agencies and members of the government affairs, corporate communications and public affairs industries. Entries can be made on the basis of self-nomination or third-party nomination.
2. Entries should be in the name of the corporate body, agency or an individual but must also be lodged with the name of a lead contact in the event of any further information being required during the judging process. Entry packs are available for download and all entries must be received by April 29, 2022.
3. Judges have been selected on the basis of professional experience. Judges will not take part in any panel considering an entry where they have a professional or personal interest. The judges' decision is final and not subject to external review. PRCA and PublicAffairsAsia will oversee the allocation of category portfolios to ensure cross-sectoral, geographical and industry representation. The judging panel is subject to change without notice and the process is subject to a strict Memorandum of Understanding which is available upon request. Judges may be drawn from sponsoring organisations but are excluded from the panel for which they are the sponsor.
4. Unless stated, entries should not include any content that is commercially confidential or breaches client privacy without the prior consent of the client. The organiser accepts no responsibility for the transmission of such information unless expressly stated in the original entry.
5. Entries should be limited to 1,000 words. Judges reserve the right to exclude any entry that breaches this word limit.
6. No further supporting evidence is permitted unless it is a digital link to, for example, a video. Once entries have been shortlisted, the judges can request further supporting evidence or material, should they deem it necessary. This process will take place from early May 2022.
7. Details of winners' entries, and those of the shortlisted entrants, will be published online. The organisers reserve the right to republish shortlisted or winning entries in whole, in part or in edited form in printed and electronic format.
8. Before submitting entries you must pay by credit card or request an invoice. Invoices may be requested on payments above 3,000 SGD. To make payment, please visit the Award Categories Page, click on 'Enter Now' on the category/categories of your choice. Each category will be added to your basket on the top right side of the page. Once the categories have been added to your website, please proceed to checkout. Where the payment has not been received, the organisers reserves the right to exclude the entry from the judging process. Once an entry fee has been processed, it cannot be refunded. The entry fee is reduced to 200 SGD where the entry is identical to an entry lodged in another category.
9. Late entry fees of 135 SGD in addition to the entry fee apply to all entries received within seven days of the close of nominations.
10. Entries can be withdrawn (without refund) after the close of nominations. However, it is not possible to withdraw an entry once the shortlist has been published (in the event that the entry is shortlisted).
11. The Gold Standard Awards are operated by PRCA APAC on behalf of PublicAffairsAsia. All rights are reserved.
